

SWIMMER MEET ATTENDANCE

In recent years, the coaches have had continuous problems knowing when swimmers will be at meets. In order for the coaches to be able to schedule swimmers appropriately, please indicate the dates where your swimmer **WILL BE AVAILABLE TO SWIM.**

If dates change throughout the year, please inform the coaches with a note written on an 8 1/2 x 11 sheet of paper, and place in the coaches mail folder. As in the past, if your swimmer is sick for a meet, it is better to call the coach in advance so they can plan for other swimmers to swim their events.

As soon as this form is turned in, your swimmer will be scheduled to swim in the meets.
