

2008 SWIM MEET VOLUNTEER INFORMATION SHEET

The organization and running of EVERY home meet is the responsibility of the Parent Club. We need 42 volunteers to run each home meet and 6 volunteers for away meets. Based on the number of families that join the team, this will mean that each family will need to volunteer to work a minimum of 3 meets and the Championship meet (volunteer sheet for Championships will be done separately). The Parent Club will provide training necessary for specific jobs.

Please circle the jobs listed that you are able to do at the HOME meets and mark (x) the meets that you are able to provide a volunteer. The jobs to be filled at each HOME meet are listed below.

If we do not have sufficient parent volunteers to work the meets, we will need to hire lifeguards to fill the required positions. To pay for this, each family must pay a \$20.00 deposit. Your deposit will be returned if you work a minimum of meets per family. Deposits can be carried over from year to year. If you haven't already paid this fee, please put in Donna Steinmetz's folder. **Make Checks payable to Sharonville Sharks Swim Team**
