

2010 SWIM MEET VOLUNTEER INFORMATION SHEET

The organization and running of EVERY home meet is the responsibility of the Parent Club. We need many volunteers to run each home meet and a few volunteers for away meets. We need each family to volunteer to work a minimum of 3 meets and the Championship meet (volunteer sheet for Championships will be done separately). The Parent Board will provide training necessary for specific jobs.

Please place a check (✓) in the box next to the jobs listed that you are able to do at the HOME meets and check the meets that you are able to provide a volunteer.

If we do not have sufficient parent volunteers to work the meets, we will need to hire lifeguards to fill the required positions. To pay for this, each family must pay a \$20.00 deposit. Your deposit will be returned if you work a minimum of meets per family. Deposits can be carried over from year to year. If you haven’t already paid this fee, please put in Donna Steinmetz’s folder. **Make Checks payable to Sharonville Sharks Swim Team.**
